## VOLUNTEER CODE OF CONDUCT (For Adults)

Children, youth and vulnerable adults are important gifts entrusted to us by God. I recognize my first obligation is to give a good example of charity, kindness, and integrity to those I serve. As a volunteer, I promise to strictly follow the rules and guidelines in this Volunteer Code of Conduct as a condition of my providing services to children, youth, or vulnerable adults.

### Volunteers shall

- Understand that the only appropriate relationship as a volunteer is that of adult volunteer minister, not friend or peer to a child or youth.
- Establish and maintain safe environments by preserving appropriate boundaries with children, youth, and vulnerable adults.
- Witness in all relationships the chastity appropriate to one's state in life, whether ordained or lay, married or single.
- Treat each person with respect, charity, patience, courtesy, dignity, and consideration.
- Immediately report any suspected abuse to the **staff person** in charge (immediate supervisor).
- Cooperate in any investigation of suspected abuse of children, youth, or vulnerable adults.
- Be familiar with and follow pertinent safety policies, including but not limited to Creating a Safe Environment (CASE).
- Participate in appropriate training as required by supervisor.
- \*Work in pairs or as part of a team when working with children, youth, and vulnerable adults.
- \*Utilize a "buddy system" with children, youth, or vulnerable adults so that children, youth, and vulnerable adults are not alone with adult volunteers at church activities.
- Maintain sleeping quarters for adults separate from children/youth/vulnerable adults. Never share a bed with a child, youth, or vulnerable adult.
- Use only communications technologies that are "one-to-many" when working with children, youth, or vulnerable adults. Forbidden one-on-one contact includes, but is not limited to, cell phones, social networking sites and their internal private messaging tools (inbox), text messaging, instant messaging, chat, and email. When responding to a personal message, copy your response to your immediate supervisor.
- \*Meet with children, youth, or vulnerable adults in public places or on church property.
- Use the internet as a resource for programs, but do not access, download, or share obscene or inappropriate material, chain letters, jokes, etc. with children, youth, or vulnerable adults.
- Gifts **given** by volunteers to children, youth, or vulnerable adults should be "tokens," not expensive or inappropriate.
- Gifts **received** by volunteers from children, youth, or vulnerable adults should be tokens, not expensive or inappropriate. Gifts may only be received with validated approval of the pastor, pastoral administrator, or principal.
- Use positive reinforcement with children, youth, or vulnerable adults rather than criticism, competition, or comparison.
- Employ appropriate conduct, speech, and dress.
