November 2018

Hello,

The Siena Jazz band is in it's third year. This after school activity is meant to give students an opportunity to play music of different styles while developing their individual skills as soloists, all instruments are welcome to audition. We give the students the necessary information to learn to play these different styles and work on improvisation. The sessions are run by Vince Ercolamento. If you would like to read his bio please visit his web site www.vinceercolamento.com.

We are accepting registration forms for the second half of the year. The cost is \$150.00. The group meets on Wednesday afternoons at 3:00 pm for 1 hour. We plan to perform in the spring concert. Last year the band performed at the Rochester Lilac Festival. We will try to make that happen again.

If your child would like to participate, please contact Mr. Ercolamento. We are very excited to keep the band growing. Mr. Ercolamento looks forward to working with the Siena students. We hope you take advantage of this opportunity.

Hope to see you in the future,

Vince Ercolamento
