ODYSSEY OF THE MIND

Odyssey of the Mind is an international problem-solving program that teaches teamwork, creativity. And out-of-the-box thinking. Each team will create an original performance that they will present at the tournament. Students make all their props, scenery and costumes. Coaches act as guides, helping the students stay focused on their solution. Our Rochester tournament will be held in March 2019.

Odyssey is run by all volunteers. In order to be on a team, adult help is needed to support the students. Parents or adult volunteers are needed as coaches/mentors/ and judges at the tournament. We also need a parent who will be willing to attend monthly regional meetings.

There is a \$25/ student fee to participate. Make checks payable to Siena Catholic Academy

Teams are made up of 4-7 students. Each team will meet once or twice a week. Some teams will start in October and some in December based on current coaching availability. **If a team organizes and finds a coach, we can ensure participation. Students can also sign up and we will work to place them on a team.**

Have your student listen for an announcement for an organizational meeting during flex.

***Registration does not guarantee participation. We must have coaches in order to have teams.**

I/We the parent(s)/guardian(s) of this student, request that Siena Catholic Academy allow my/our student to participate in the activity described above.

My son/daughter _____ would like to participate in Odyssey of the Mind.

My email address is _____.

Student Age: ____ Grade: ____ Any allergies/health concerns: _____
